Sir,

I have the honor to submit in original letter No. 55 dated 29th August 1924, from the President, Tarikere Municipal Council, addressed to you, in regard to the levy of enhanced market fees at the weekly shandy at Tarikere and to state as follows:-

2. In framing the budget for the current year, the Municipality made a provision of Rs. 2,000/- on the understanding that the market fees would be increased with effect from the 1st July 1924. As no reference had been made to Government for such sanction, the provision of Rs. 2,000/- was reduced to Rs. 1,200/-, which was the sanctioned estimate for 1923-24. Sanction of Government is now sought for to the levy of enhanced rates for reasons stated in the enclosed communication.

3. It will be seen from the enclosed letter from the President that objections to the proposed rates were called for, but none have been received. As required by Section: 48 (3) of the Regulation, the copy of the notice publishing the proposed alteration and calling for objections or suggestions thereto, is not appended to the letters and the President has been asked to send up the same. And this will be submitted to Government as soon as it is received. In the meantime to avoid delay, the President's proposal is submitted to Government for orders.

4. Sanction to the levy of the revised rates is solicited with effect from 1st July 1924. Since under sec: 42 (1) of the Regulation, the previous sanction of Government to the bye-laws or their alteration is necessary, it is doubtful if the revised rates can have retrospective effect.

Sir,

In submitting herewith,extracts of resolutions of the Municipal Council regarding the levy of increased rates of market fees at the weekly market at Tarikere,I have the honor to state that the question of enhancing the rates in respect of the right of collecting fees at the weekly market at Tarikere was taken up last year by the Municipality with a view to increase the present income of the Municipality and also to put a stop to the complaints that were being made to the effect that market Contractors were profitering themselves by actually recovering enhanced rates.Besides the Government was also observing while sanctioning the budget estimatesthat the normal expenditure of the Municipality exceeded the normal income and that the finances of the Municipality required to be developed.

Further the present rates were fixed about 27 years ago and have not been revised since then and the prevailing rates were found to be very low compared to other localities in view of the importance of the Shandy.It was therefore thought that the revision of the market fees were also one

of the ways and measures to increase the resources of the Municipality especialy in the absence of any Toll Gate. The question of increasing the schedule of rates was first taken up last year as one of the means and ways of improve-ment and the Council in their meeting held on 27th.August 1923 referred the same to managing Committee and finally after great scrutiny the Council in their Special meeting held on 19th.April 1924 passed their resolution (copy en-closed) approving of the revised proposed rates (enclosed) with certain modifications.

Objections were then called for from the public about the levy of the enhanced rates of fees, but no object-ions have been received and the Council have now resolved to confirm the enhanced rates and to apply for Government sanction.

The right of collecting market fees for the period 1st.July 1924 to 30th.June 1925, was sold by public auction on the understanding that the enhanced rates will come in to effect and consequently the bid offered was high as Rs 2100/-per year compared to Rs 1020/-of the year previous.

Under the above circumstances and in view of the fact that this revision was long overdue and that --- there is no public objection for the same and that as the matter has been carefully studied discussed and decided and finally as this will give an increase of about Rs 1000/- annually.

I beg to request that the newly passed rates may kindly be approved and the sanction of Government obtained for giving effect to the new scale with effect from 1st.July 1924.

I have the honor to be,

Sir,

Your most obedient servant,

W. [illegible]
